

Hallelujah (I Lift MY Hands Up)

Verse 1

I give you my hurting
I give you my pain
Take all of the brokenness
And all of my shame
I give you my weakness
I lay down my pride
Take all of my plans, all of my dreams,
all of my life

Chorus

Hallelujah, Love has won
It is finished it is done

Verse 2

I give you my doubting
I give you my fear
Take all of my worries
And all of my tears
I give you my struggles
And all my mistakes
Take all of my plans, all of my dreams, all of my days

Bridge

And I lift my hands up
It's all I can do
I will worship no other
I'd rather have You
