

Risen King

Verse 1

Our eyes upon the cross
Where mercy came and died
The Holy spotless One
For sinners sacrificed
As blood and water flowed
The earth began to shake
Messiah wrapped in flesh
Was buried in the grave

Chorus

Death defeated You made a way
The curse is broken up from the grave
The Son of Heaven is clearly seen
And reigns eternal our Risen King

V2

Jesus son of god
Lay silent for three days the first born of the dead then rolled the stone away
The curtain torn in two
The gap has been erased
And sinners beckoned home
Into the arms of grace

Bridge

Your name be high and lifted up
Your grace will always be enough
Your fame Your love outlasts the stars
Your cross displays the Father's heart
The grave could not contain Your love
Your Word alive and lives in us
Your light will shine for all to see
in You alone is victory
