

# Heaven Come

## **Verse 1:**

Holy is your name O Lord  
As heaven comes to earth  
Your will be done in us again  
As we seek Your kingdom first

## **Verse 2:**

Give to us our daily bread  
Forgiveness lives in You  
As we forgive like Jesus did  
Heaven's breaking through

## **Chorus:**

Heaven fall on me, heaven fall on me  
Lift my eyes to see, heaven come

## **Verse 3:**

You are always good to us  
Your promises are true  
You speak a better word to us  
My hope is found in You

## **Verse 4:**

I know a greater day will come  
The earth will fade away  
But we won't wait until it does  
To see heaven come our way

## **Bridge:**

On earth as it is in heaven we pray  
Have Your will, have Your way, Heaven come
